Youth Ministry Training Session Coming Soon!

Two of the most important ministries we offer at Legacy Church are our children's and teen ministries (Legacy Kidz and Connect Teens). These are incredibly important, because God has given us an amazing opportunity to partner with families as we point young lives towards Jesus Christ.

We are so thankful for the many, many volunteers that God has raised up here at Legacy to serve in these ministries! To help our volunteers, we will be holding our first "Youth Ministry Training Session" on **Sunday, February 4, 2024, right after the morning service.** This 20 to 30-minute session will start the discussion about important factors for effective ministry to children and teens, and we will be continuing this training in the coming months.

Please consider these training sessions essential for all children's and teens' ministry volunteers!
